

Person Specification

Role Title: Young Adults & Youth Church Planting Intern

Qualifications:

Good quality of mind. Education to university level would be an advantage but is not a requirement.

Competencies:

Leadership skills, with the ability to draw people together and to collaborate with them in mission.

Imagination and creativity in missional thinking.

An encourager with the ability to bring out the best in people.

Desire to share the gospel with people in order to lead them to Christ.

Knowledge & Experience:

Ability to apply the insights of the Scriptures and the work of the Holy Spirit to daily life and leadership contexts.

A growing ability to reason theologically with others.

Ability to research and apply new models of outreach and ministry.

Experience of leading small groups, Bible studies and informal 1-to-1 discipleship.

General and teachable awareness of safeguarding and health and safety issues.

Personal Qualities:

A follower of Jesus with a maturing Christian faith.

A teachable person displaying the fruit of the Holy Spirit, with a commitment to the authority of Scripture.

A person with vision, creativity and drive.

We are very keen to hear from as many candidates as possible who fit the specification above, but we would also be particularly interested to hear from those with additional gifts in the areas of leading sung worship and in areas such as graphic design and web design.

There is a Genuine Occupational Requirement for the chosen candidate to be a committed Christian in accordance with the Equality Act 2010. It is a requirement that the chosen candidate be a committed worshipping member of The Way Church.
